

Conference-at-a-Glance

Executive Summit: Global Strategies for Companion Diagnostics

Exosomes and Microvesicles in Cancer

Clinical Biomarker Assay Development

Monday, November 4

7:30 am	Conference Registration and Morning Coffee		
8:30-10:05	Incorporating Companion Diagnostics into Drug Development	Exosomes and Microvesicles as Cancer Biomarkers	Clinical Assay Development
10:05-10:45	Coffee Break		
10:45-12:00 pm	Global Regulatory Considerations for CDx	Role of Exosomes and Microvesicles in Cancer Progression	Clinical Assay Development (continued)
12:00-1:30	Enjoy Lunch on Your Own		
1:30-2:50	Making Precision Medicine More "Precise"	Role of Exosomes and Microvesicles in Cancer Progression (continued)	Clinical Utility of Next-Generation Sequencing
2:50-3:50	Refreshment Break in the Exhibit Hall with Poster Viewing		
3:50-5:00	Plenary Keynotes		
5:00-6:00	Welcome Reception in the Exhibit Hall with Poster Viewing		
6:00-9:00	Dinner Courses (Separate registration required) <ul style="list-style-type: none"> SC1: Executive ThinkTank: Strategies for Companion Diagnostic Development: Addressing Regulatory, Reimbursement, and Co-Development Challenges SC2: Fit-for-Purpose Biomarker Assay Development and Validation 		

Tuesday, November 5

7:30 am	Breakfast Presentation or Morning Coffee		
8:30-10:05	Companion Diagnostic Assay Development	Isolation and Characterization of Extracellular Vesicles	Companion Diagnostic Assay Development
10:05-10:45	Coffee Break in the Exhibit Hall with Poster Viewing		
10:45-12:00 pm	Reimbursement and Economic Valuation of CDx	Therapeutic Potential of Exosomes and Microvesicles	Laboratory-Developed Tests
12:00	Close of conferences		

Clinical and Translational Biomarkers

Tumor Microenvironment

12:00	Main Conference Registration		
1:30-3:10	Implementing Personalized Medicine: Biomarkers for Patient Stratification	Hypoxia and Angiogenesis	
3:10-4:15	Refreshment Break in the Exhibit Hall with Poster Viewing		
4:15-5:30	Implementing Personalized Medicine: Biomarkers for Patient Stratification (continued)	Immune Response and Immunotherapy	
6:00-9:00	Dinner Courses (Separate registration required) <ul style="list-style-type: none"> SC3: Next-Generation Sequencing as a Clinical Test SC4: Preclinical Tumor Models 		

Wednesday, November 6

7:30 am	Breakfast Presentation or Morning Coffee		
8:25-10:20	Biomarker Utility in Drug Development	Role of Microenvironment in Tumor Progression	
10:20-11:20	Coffee Break in the Exhibit Hall with Poster Viewing		
11:20-1:00 pm	Biomarker Utility in Drug Development (continued)	Role of Microenvironment in Tumor Progression (continued)	
1:00	Close of conference
